OVERVIEW

The Vehicle Registration Suite offers the option to complete the necessary steps to issue temporary tags by fax. By calling a toll-free number you will speak to a representative who will collect the information to process the transaction. The temporary tag will immediately be faxed to you.

You can also order supplies (inventory control numbers) by phone as well as void or reprint transactions.

REQUIREMENTS:

- * Standard fax machine
- * Laser recommended but not required
- * Must be able to feed regular 8.5" x 11" sheet of paper
