To register, read all the information carefully, complete and sign this form, and return it to the address noted above.

This online service allows licensed automobile dealers, license services, and other authorized retailers to generate and print temporary tags, and access vehicle information through an existing Internet connection. PRAs and STSCs that do not have an Internet connection are required to call the VRS Call Center, provide transaction information, and receive temp tags via fax.

If you have any questions regarding the information contained within this form, please contact New Mexico Interactive at (505) 982-8307.
