This online service allows licensed automobile dealers, license services, and other authorized retailers to generate and print temporary tags and access vehicle information through an existing Internet connection. Dealerships and Title Service Companies that do not have an Internet connection are required to call the VRS Call Center, provide transaction information, and receive temp tags via fax.

If you have any questions regarding the information contained within this form, please contact New Mexico Interactive at (505) 982-8307.

I understand that violating the law regarding NMSA 66-3-6 (Temporary registration permits, demonstrations permits and transport permits) may result in the suspension or revocation of my or my company's VRS access, as determined by MVD.
